I/We.....(organisation/individual) support the Objectives of the Outback Alliance:

- To provide an effective voice to raise awareness of the unique issues impacting and opportunities available to Outback Australia
- To Identify key areas of influence
- To develop a set of “Outback Policy Principles and Protocols” and implement them across the full spectrum of public policy and programs
- To establish understanding and support from politicians, bureaucrats and the broader communities for remote Australia.

I/We support the Visions and Principles of the Alliance and will work to facilitate the achievement of the outcomes of the Outback Alliance.

I/We understand that becoming a member of the OA requires a cash/in-kind contribution. The "organisation" will contribute (an agreed cash amount) or (Administration services) in-kind for the following period to be reviewed annually.
